WE MAKE SELLING YOUR SURPLUS EQUIPMENT EASY!

AARON equipment company inc.

We buy and sell single pieces of equipment, complete lines and entire plants & facilities from all major industries, financial institutions and government agencies worldwide. We have many years of experience valuating equipment in the secondary marketplace; equipment specialists with expert detail information; resources for fast payment; and the ability to execute quick removal. Selling your surplus equipment to Aaron guarantees you a predictable outcome!

WE CAN...

· Purchase your equipment outright
· Sell your equipment on consignment
· List your equipment on our website
· Liquidate your assets or entire facility
· Arrange an auction for your assets
· Appraise your assets/equipment
· Sell your equipment by Private Treaty

WE ARE...

· Family owned and operated for over 80 years
· Relationship builders
· Dedicated to fair market pricing
· Service oriented with a focus on the customer first
· Respected internationally as being the leader in our field
· Staffed with qualified product specialists

WE WORK WITH...

· Fortune 500 Companies
· Mom and Pop Companies
· Start Up Companies
· Original Equipment Manufacturers
· Financial Institutions
· Legal Firms
· Auction Companies
· Insurance Companies

WHY SELL YOUR SURPLUS EQUIPMENT TO AARON?

· We are experts at evaluating industrial process & packaging equipment.
· We are renowned for efficient and profitable asset management solutions.
· We are respected worldwide for our industry expertise and equipment services.
· We are specialist on ROI for buyers and sellers of all industrial assets.
· We have established a Trust in the Industry for more than 80 years!
